

## Parent/Guardian Code of Conduct

### BACKGROUND

This code of conduct is for parents, guardians, carers and family members of children attending a Bethany Kindergarten Services (BKS) service. When attending a BKS service all members of the families are to comply with relevant legislation and BKS policy and procedures.

The fundamental principles outlined in this code of conduct are intended to guide family members to act in a safe, fair and ethical manner for the benefit of the kindergarten and the kindergarten community. Every family member is expected to comply with this code in relation to their interactions with one another, staff and parents and when they are attending the service.

### STATEMENT OF COMMITMENT TO CHILD SAFETY

BKS is committed to child safety. We want children to be safe, happy and empowered. We have zero tolerance of child abuse. We understand our legal and moral obligations to treat concerns seriously and report allegations, safety and wellbeing concerns to authorities. We are committed to the cultural safety of all children including Aboriginal children, children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.

### BKS VALUES

- Maintaining the safety, dignity and rights of each child
- Encouraging children to express themselves and their opinions, and to undertake experiences that develop resilience and promote opportunity for individual development and learning
- Maintaining a duty of care and promoting the health, safety and wellbeing of children through a safe, secure and welcoming environment
- Embracing the diversity of colleagues, children and families with respect to cultural values, age, and the physical and intellectual development and abilities of each child
- Building positive and collaborative relationships with children, colleagues, families and stakeholders to improve learning and development outcomes for children.

### EXPECTATIONS

Everyone is responsible for establishing and maintaining appropriate roles, relationships and boundaries with children and other adults.
