

Koorie kids shine at kindergarten

Enrol your child now – it's not too late, and it's free!

Early learning sets children up for a bright future by teaching them skills that will help them for the rest of their lives.

Kindergarten will help your child:

- Build their sense of identity
- Explore how they fit into the world around them
- Learn how to communicate with others
- Strengthen their physical, social and emotional wellbeing
- Promote confidence in learning and trying new things

Kindergarten teachers work to nurture and respect children's cultural identity.

All Aboriginal and Torres Strait Islander children who turn 3 or 4 years old by 30 April, can attend kindergarten for 15 hours per week for free.
